“No man shall be able to stand before you all the days of your life; as I was with Moses, so I will be with you. I will not leave you or forsake you.”

Joshua 1:5

How thankful are we for the Lord faithfulness ,and for the fact that He provides His promises for us and we can rely on them and His word.

He promised to be with us and we experienced His faithfulness to have more effective camps for children and teens in their area .Most of them were CEF workers(full time workers which already did camps for several years.

We only felt stress before going there ,but during the week we knew God is with us, and we knew there are prayers lifted up for us .Thank you for being a great part in this training and please know that God answered your prayers and not only that He gave us the right words to say, but the people attending the training gave great reports.

“I thought I know everything about camps, but this week it changed my vision for camp ministry, I was encouraged and for sure I will change many things in my work among kids” says Dan T.

Linda C. leader of CEF encouraged us with her words *“It was an excellent course Thank you !“* .

It is our turn to thank God for His strength and to thank you for when you say” *Ī am praying, you mean it!* “

And it is touching to see that God started to raise people of

prayer from Romania as well. You know from our previous letters that things like prayer, mission and so on are not well known concepts in Romania. As soon as we got back from USA, God put into our hearts to start a prayer group and we already had our 5th meeting on Wednesday.

There are 15 young people that come with faithfulness and eager to develop a life of prayer and fasting. Give Him praises for raising a small army in Romania ready to pray.

Some of them prayed harder than we did for the Lord to provide a Laptop for us and we are

glad to let you know that God did not leave us and provided one. Is not Him worthy of our praises and worthy of our trust??!

There was a boy who liked peanut butter .It was enough for him to taste it once and then he just could not give up...and in a way we find ourselves in the same position, once we see God moving stones for our sake it is hard to stop and challenge Him even for greater things...and

we know you like ..peanut butter too, so what if we continue to work as a team and ask and expect greater things from the Lord of Heavens. So, please continue to pray for God's provision for camp building.

So far He provided in miraculous ways but still there are some things that need to be purchased so that we can start using it from the last week of June, when we will have our first camp out there. Things like refrigerators , stove,blankets,mattresses, not to mention tables and chairs for the dining hall(the one you see in the picture).

The verse from Joshua will be for the next weeks our motto, for some reasons and we share them with you since it is not by human power that such things can be done..

Summer camp for kids...this summer we planned 5 weeks of camps, each of them with a number of 40 campers. As the summer is getting close please keep in your mind the needs in Romania:

- **-workers to help in the camps,**
- **-children to get saved**
- **-protection**
- **-provision so that all the 250 campers will have the chance to join a Christian camp this year**
- **-unity among workers**
- **-materials (lessons, songs ,verses to be prepared in time).**

***beside summer camps in the summer you can see the need of many other kids and teens to hear the Gospel, by getting a New Testament ,or getting an invitation for open air evangelism or tent meeting. Would you please remember that there are many out there that need to hear the Good News and they need your prayers for open hearts for the Good**

Seed and willingness to listen God's word ,and people to be ready to help us in taking the Gospel into villages.

And may all the days of our lives, no man shall stay before us, so that we have more freedom and joy in taking Jesus to others..

We have the same wish for you ,take heart ,He does not leave or forsake The ones that are not forsaken by God or you

Estera & Viorel
