

GEN 6, 7,8,9, THE FLOOD

- Noah was a "righteous man and he walked with God".
- He was also the first person recorded drunk in the bible.
- Living far from the ocean, Noah built a boat with perfect seaworthy dimensions having never studied ocean travel?

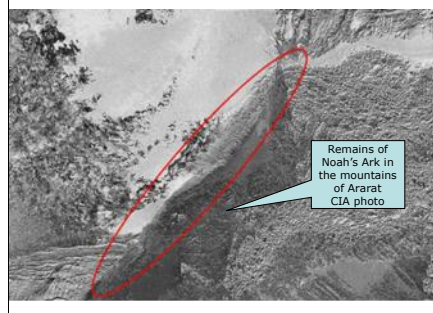

- Every major group of people record the flood as part of the history of their people. There are over 80,000 flood accounts – 85% of them mention a vessel that saved man. 33 of the 35 Middle East accounts coincide exactly!
- Noah's ark has been shown to be resting on the mountains of Ararat (which means new beginning) resting at approximately 7,000 feet.

Will see – lots of evidence so far

One of the reasons that the people did not want to believe Noah was that it had never rained!

<p>Genesis 2:4-6 This is the account of the heavens and the earth when they were created. When the Lord God made the earth and the heavens-- [5] and no shrub of the field had yet appeared on the earth and no plant of the field had yet sprung up, for the Lord God had not sent rain on the earth and there was no man to work the ground, [6] but streams came up from the earth and watered the whole surface of the ground--</p>	<p>A Terrarium affect as well as underground river sources watered the earth.</p>
--	--

One Evidence of this terrarium effect is a Rainbow!

- A rainbow (God’s promise that he would never destroy the earth again by water) can only be formed by water DROPLETS in the sky not water VAPOR.
- The rainbow would not have been seen prior to the flood because it was water vapor then.
- **This doesn’t prove the Bible**, but it does point out **that it was scientifically correct** thousands of years before the technology to prove it would be known.

<p>This explains several things</p> <ul style="list-style-type: none"> • In a terrarium atmosphere most of the harmful UV light is filtered out. UV contributes greatly to aging and explains why men lived so long PRE-FLOOD. • In a terrarium atmosphere, plants would grow at a very fast pace, and would be abundant everywhere. 	<p>This explains several things</p> <ul style="list-style-type: none"> • For an intact mammoth to be thawed for study and all in a then a then 
---	---

<p>This explains several things</p> <ul style="list-style-type: none"> • In order to get oil, you must have a <u>sudden covering</u> of dense living material (hydro-carbons). 	<p>This explains several things</p> <ul style="list-style-type: none"> • With the plant life (as they knew it gone) no dinosaur could have lived after the flood except for the two species of dinosaurs Noah had in the Ark.... • A Crocodile and an Alligator.

Titanic Explorer Robert Ballard had a theory: The water from the Flood had to go somewhere and he reasoned that the Black Sea was formed **AFTER** the flood from the Flood water.

Ancient coastline may lend support to Noah flood story

DISCOVERIES IN BLACK SEA could lend support to the story of Noah's flood, according to a new study by a team of scientists. The researchers, led by Robert Ballard, the discoverer of the Titanic, say they have found evidence of a submerged coastline that could have been the source of the flood. The study, published in the journal *Marine Geology*, suggests that the Black Sea was once a shallow body of water that was cut off from the Mediterranean Sea by a land bridge. The researchers believe that the land bridge was destroyed by a massive flood, which could have been the source of the Noah flood story. The study also suggests that the Black Sea was once a shallow body of water that was cut off from the Mediterranean Sea by a land bridge. The researchers believe that the land bridge was destroyed by a massive flood, which could have been the source of the Noah flood story.

This will bring us to one of the most controversial texts in the Bible – It is rare to hear a sermon from this text.

GEN 6:3-9

Then the LORD said, "My Spirit will not contend with man forever, for he is mortal; his days will be a hundred and twenty years." The **Nephilim** were on the earth in those days--and also afterward--when the **sons of God** went to the **daughters of men** and had children by them. They were the heroes of old, men of renown. The LORD saw how great

Discuss
First

man's wickedness on the earth had become, and that every inclination of the thoughts of his heart was only evil all the time. The LORD was grieved that he had made man on the earth, and his heart was filled with pain. So the LORD said, "I will wipe mankind, whom I have created, from the face of the earth--

men and animals, and creatures that move along the ground, and birds of the air-- for I am grieved that I have made them." But Noah found favor in the eyes of the LORD. This is the account of Noah. Noah was a righteous man, blameless among the people of his time, *and he walked with God.*

Who are the NEPHILIM? The word in Hebrew literally means **"Fallen Ones or who from Heaven fell. "**

The word is translated in English usually as **GIANTS!**

- According to most Biblical scholars; **the Sons of God are fallen angels or Demons.**
- They had relations with humans and created offspring (son's) that were inherently evil-so much so that God decided to basically start all over
- **Noah was the family that had NO demon bloodline** ... God used him, and his family start the human race over and to repopulate the world with animals places on the ark.

**How do we know these are "Fallen Angels" or "Demons?"
God himself gives us the answer.**

JOB 38:4 -7 "Where were you when I laid the earth's foundation? Tell me, if you understand. Who marked off its dimensions? Surely you know! Who stretched a measuring line across it? On what were its footings set, or who laid its cornerstone-- while the *morning stars* sang together and all the Son's of God shouted for joy?"

- When God *"Laid the foundation of the earth"*, the only created beings were Angels.
- This is Pre-Adam
- The *"Sons of God"* could not be humans - they had to be angels who would later follow Satan in his heavenly rebellion.

Who and 'mon like?

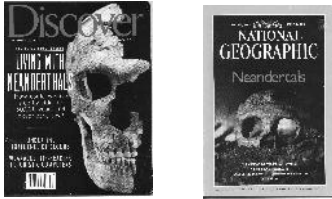

Tabun/ Sidul Cave - Today Israel

- On Israel's Mount Carmel, just south of Haifa, the caves of Sidul and Tabun yielded partial hominid skeletons that appeared deliberately buried. Scientists gradually accepted the robust bones at Tabun as Neanderthals, while the slighter Sidul folk gained recognition as "early modern" Homo sapiens. More Neanderthals turned up in the caves of Kebara on Mount Carmel and Amud near the Sea of Galilee. Meanwhile, investigators discovered a larger trove of early modern humans buried at the Jebel Qafzeh cave near Nazareth.

National Geographic & Discover Magazine

The following is excerpted from the Discovery Magazine article “Living With Neanderthals”.

“The Neanderthals are the best known and least understood of all human ancestors. To most people, the name instantly brings to mind the image of a hulking brute, dragging his mate around by her coif. **Thick boned, barrel-chested, a healthy Neanderthal male could lift an average NFL linebacker over his head and throw him through the goalposts. Combining enormous strength with manifest intelligence,**

the Neanderthals appear to have been outfitted to face any obstacle the environment could put in their path. Neanderthals and modern humans have been sharing Spanish soil for 10,000 years. How can two kinds of human beings exist side by side for that long without sharing their cultures? Without sharing their genes? Clearly, if modern humans were inhabiting the Levant 40,000 years before the Neanderthal,

they could hardly have evolved from them. If the dates are indeed correct, it is hard to see what else one can do with the venerated belief in our Neanderthal ancestry but chuck it once and for all. The[ir] cohabitation [Neanderthals] with moderns no longer needs explanation. Neanderthals and moderns managed to coexist through long millennia...

Of course, if the Neanderthals were a biologically separate species, **something must have happened to cause their extinction. After all, we are still here, and they are not.”**

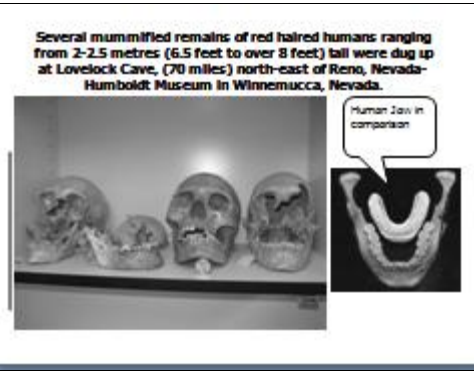

excerpted from “Living with Neanderthals” Discover Magazine

This is the best explanation (in my opinion)...

- For the fossil records of Pre - moderns
- Why God does not appear to be too merciful in the first book in the Bible.
- God has given a timetable of man on the earth (not the age of the earth).

I had a problem w/this: People would say "God loves you" and I would say..."then why did he wipe out the whole planet"!

Reality is God did us a favor.

Renowned Scientist Hugh Ross says that during this time the murder rate was so high **that 19 out of 20 people were killed** - enough to curb what should have been a population explosion of 6 billion people living on the planet (the 6 billion never arrived because their parents were killed prior to having them).

Recent evidence shows that not only were the Neanderthals murderers but they were cannibals!

Out of all the people of the world at this time NOAH did not have any demon blood in his genealogy - he was a direct descendant of Adam and Eve so the "HE" of Gen 3:15 – a direct descendent of Eve would live on through saving Noah and his family.

- My Hypothesis...
- No demon blood in Noah's line (which came from Adam (Gen 3:15)
 - Fallen angels and humans mated and created these people (Giants in the Bible)
 - They were demonic – inherently evil
 - Science backs this story from the Bible

Many ancient civilization from Indians-Hindus state that their gods were created from "star Children" and the result is always GIANTS in mythology

(history channel Ancient Aliens 2010)

Evolutionists say man needed a long time, millions of years to “evolve” from “missing links”. We now have conclusive evidence from the DNA that the Neanderthals were not our ancestors (remember, Noah’s blood was untainted or had NO DEMON DNA).

Here are the 2 opinions...

1) Biblical:

Man and another “physically imposing” group of people called Nephilah (or giants - the result of interbreeding between demons and humans) lived together on this earth until God took them out with a worldwide flood.* Since the bloodline was demonic, God saved the one family that was untainted with this bloodline thereby

effectively starting the human race over again. This means the DNA of the biblical Adam and Eve would have continued, but the DNA of the Nephilah was different and proves they died out.

**It is important to note that God was still merciful to this group of people and gave them 120 years to repent through the preaching of Noah. Not one took him up on the offer.*

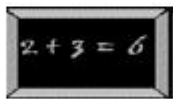

2) Scientific:

Man and another “physically imposing” group of people called Neanderthals lived together on this earth until they inexplicably disappeared off the face of the earth all at once. The DNA of Neanderthals and man is totally different conclusively proving that we did not evolve from them. This means that the DNA of the scientific “Adam” and “Eve”

would continue but the DNA of the Neanderthals was different and proves they died out.

The math won't work either

Regarding evolution and the long time frame to evolve from “missing links”. **This will not mathematically hold up.**

- Take only the four couples who survived the flood and to be conservative use only one couple.
- The average life span throughout the history of the world is 43 years. Since the time of the flood over 4300 years has transpired or 100 generations:

Simply multiply 2.5 children x 100 generations and our world population should be about 5 billion people.

Today, in actuality we have over 6 billion people.

Using a million years (as scientists suggest) we would produce over 23,000 generations and our population today would be 10^{2091} .

This is greater than all the atoms in our total universe!!!

Strange to me...

- There are 52 verses in the Bible specifically speaking of these people NOT counting the story of Goliath or the Jewish Spies sent into Canaan.
- And yet most preachers do not want to tackle this section because of it's controversy – even though it gives us HUGE answers to age old questions
- We cannot discount the fact that we have Neanderthal remains and DNA – and the Bible does NOT retreat from this but tackles it head on

Survival of the fittest

- Science and Darwinism tells us that man evolves due to **Survival of the Fittest**
- In an age where physical size, strength and prowess would have made these the "fittest", the Neanderthals did not SURVIVE and died out

Here's a big question!

Why would Satan want to corrupt the human bloodline?

GEN 3:15

"And I will put enmity between you and the woman, and between your offspring and hers :

HE will crush your head and you will strike his heel."

Why is there a struggle which appears to be between Good and Evil?

- When Satan orchestrated the fall of man in the garden he fully expected God to judge man as reprobate
- There was no redemptive plan for Satan and his demons as there was for man. We are made in the image of God and God loves us.
- When God declared that man would be **redeemed** by a Messiah in Genesis 3:15, it completely blindsided Satan.
- *The word redeemed means bought with a price!*

Why is there a struggle (enmity) which appears to be between Good and Evil?

- Satan understood "crushed head" and the "seed of woman" and immediately set out to destroy or corrupt the Messianic line.
- He did this first in Cain's (the first born) murder of Abel ... One dead – the other the Murderer!

Why is there a struggle (enmity) which appears to be between Good and Evil?

- And then interrelations with the fallen "Sons of god" and "daughters of men".
- Child sacrifices: Baal, Molech,
- Psalms 106: 37 *They even sacrificed their sons and their daughters to the demons.* 38 And shed innocent blood, The blood of their sons and their daughters, Whom they sacrificed to the idols of Canaan; And the land was polluted with the blood.

Why is there a struggle (enmity) which appears to be between Good and Evil?

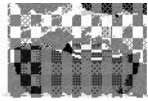

- Pharoah,
- Herod.
- The temptation of the Messiah in the desert
- Satan, using the world system (which he rules) puts The Messiah on a cross.

Satan unwittingly falls into God's trap. God will not Kill his own son – But he will let Satan do it!

GEN 11, TOWER OF BABEL

- **God's command to the survivors of the flood was:**

Genesis 9:1

Then God blessed Noah and his sons, saying to them, "Be fruitful and increase in number and fill the earth."

The survivors quickly got other plans:

Genesis 11:1-9
 Now the whole world had one language and a common speech. [2] As men moved eastward, they found a plain in Shinar and settled there. [3] They said to each other, "Come, let's make bricks and bake them thoroughly." They used brick instead of stone, and tar for mortar.

This is deliberate rebellion

[4] Then they said, "Come, let us build ourselves a city, with a tower that reaches to the heavens, so that we may make a name for ourselves and not be scattered over the face of the whole earth."

Genesis 11:5-9

But the Lord came down to see the city and the tower that the men were building. [6] The Lord said, "If as one people speaking the same language they have begun to do this, then nothing they plan to do will be impossible for them. [7] Come, let us go down and confuse their language so they will not understand each other."

[8] So the Lord scattered them from there over all the earth, and they stopped building the city. [9] That is why it was called Babel--because there the Lord confused the language of the whole world. From there the Lord scattered them over the face of the whole earth.

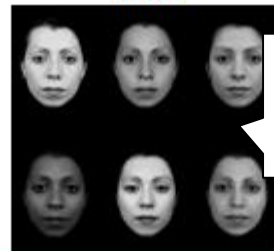

The term "*babbling idiot*" comes from this event!

In Mesopotamia, ancient towers have been unearthed called Ziggurats or "hill of heaven". A clay tablet unearthed at one says the following:

"The erection of this tower highly offended all the gods. In a night they threw down what man had built and impeded their progress. They were scattered abroad and their speech was strange."

So where do the different races, skin colors, eye and nose shapes come from?

This time Science will tell us!

Chicago Tribune

The tales genes tell

" Scientist now confirm that 99.99% of ALL HUMANS share the same identical genetic makeup. "*Outward appearances tell us almost nothing about our roots-the shapes of our noses, the color of our skins change with the climate*"

So in other words, when God scattered them throughout the world, the natural physical changes that happen due to climatic forces took place.

God has an even greater story to tells us

Incredibly, God said that the Levites or Jewish priests were separated from the Jewish population at large. Until now we did not know just how separated.

"The DNA of Cohanim [Levites] – the Jewish priesthood whose duties are passed strictly from father to son-is genetically distinct from the rest of the Jewish population."

From the Tale Genes Tell Chicago Tribune 5/18/97

This generation only would know this!

Numbers 2:33 The Levites, however, were not counted along with the other Israelites, as the Lord commanded Moses.

2 spies say "let's get em"...They are Joshua and Caleb. ***But the people refused to obey*** and so God had them ***wander in the desert for 40 years.***

Q. What was the purpose:

To let the generation that refused to obey God die out

(all but Moses, Joshua and Caleb who co-incidentally did not age during this time).

The Lesson:

- Those who **Choose** to **NOT** follow GOD will not be allowed to partake in his eternal plan. **PS. Nothing has changed!**

There is a very strange law in the book of Deuteronomy:

Deut. 21:22-23
If a man guilty of a capital offense is put to death and his body is hung on a tree, you must not leave his body on the tree overnight. Be sure to bury him that same day, because *anyone who is hung on a tree is under God's curse*. You must not desecrate the land the Lord your God is giving you as an inheritance.

- Crucifixion was not to be invented for some 3,000 years!
- The Jews used stoning as their method of capital punishment so they must have thought this was a very strange law.
- God himself was to later come under this very same law...and he obeyed it to the letter.

Under Gods Curse

• Galatians 3:13 Christ redeemed us from the curse of the law by becoming a curse for us, for it is written: "Cursed is everyone who is hung on a tree."

- **Moses dies** (God personally buried Moses so they Jews would not worship an icon of Moses)
- General Joshua takes his people into the land*** across the Jordan River (which also miraculously opens up) and they come to Jericho – the entrance to the Promised Land. They are instructed to march around Jericho until it fell down.

Study backs biblical story of Jericho

Russian archaeologists unveil mystery of Jericho

A town has been built at this place many times. It grew, broadened and suddenly fell into **disrepair and disappeared** actually. At that, people settled on the **same place for the first time some ten thousand years ago!** Thus, Jericho remains the **most ancient known center of appearance of the civilization.**

Jericho is the only place in the Middle East where the ruins show us that the walls fell out!

No army pulls the walls ... down on themselves!

Don't read but Know it- By the way this is again a picture or what scholars calls a "Type" of what God wants us to see:

For the Jews:

- It is the promised land
- Entrance to it is something God will do - not something that the Israelites will have to accomplish. They must simply accept the plan even though it contradicts every human battle plan.
- God will defeat the enemy
- Their job is to march around the city (get noticed) and then announce that God is coming. PERIOD!

Q. Do you see the Christian parallel?

- *For Christians :*
- Heaven is our promised land
- Entrance to it is something God will do - not something that we will have to accomplish by our own actions. We must simply accept the plan even though it contradicts every human battle plan.
- God will defeat our enemy- Satan
- Our job is to get noticed and then announce that God is coming PERIOD!

They then conquered most of the cities in Canaan...But not all!!

God said "conquer them all", but once again

- They thought they knew best and so they left a few
-

Numbers 33:55

" But if you do not drive out the inhabitants of the land, those you allow to remain will become barbs in your eyes and thorns in your sides. *They will give you trouble in the land where you will live.*

- One of these tribes they did not conquer were the **Philistines (now called Palestinians)** who would give them fits and still do).

Do they give them fits?

2 more Biggies in the OT

- David...the Blues singer
- Solomon the most tired man in the bible
- Then the Jewish nation splits

•

When Solomon Dies...

- ***A fight breaks out and splits the kingdom***
- ***10 TRIBES GO NORTH and are known as "ISRAEL",*** They were taken to Assyria in 722 BC in captivity.
-
- ***2 TRIBES: WENT SOUTH and are known as "JUDAH . ALL ABOUT 900 BC. They were lead into Babylonian captivity in 600 bc.***
- ***Finally the split tribes come back to Israel.***
- **WHAT ABOUT JOB?** Probably written at the end of Genesis; it is considered the oldest book in the Bible.

There is a 400-year period of SILENCE before Jesus Christ and the New Testament.

- God is not silent however – he is working in the world system readying the world for his son.
- God first sets up the **Greek Empire** so that **Greek will become the language** of commerce across all countries. By the way, Alexander the Greek was prophesied in the Bible.

- God then sets up the **Roman Empire** to **unify** the vast majority of the known world and so that they can **build the road system** that will later enable the gospel to be spread throughout the known world.
- **These two elements:** The Greek **Language** and the Roman **Road** system will enable the Gospel to spread very fast after the resurrection of Jesus. **This was the ANCIENT equivalent of our Internet.**

Neither the **Greeks nor the Romans would require religious conversion** so the Jews could worship God **but under the rule of the Romans.** This will set up the conditions that allow the Messiah to be killed

<p style="text-align: center;">The Exact Center Of The Bible Says:</p> <p><i>Psalms 118.8</i></p> <p style="text-align: center;">It is better to take refuge in the Lord, than to trust in man.”</p> <p style="text-align: center;">This is also the central theme of the whole Bible.</p>
